

# Message Circle -

Copy all 3 pages  
on heavier  
paper if  
possible.

S. Carlson © 2018

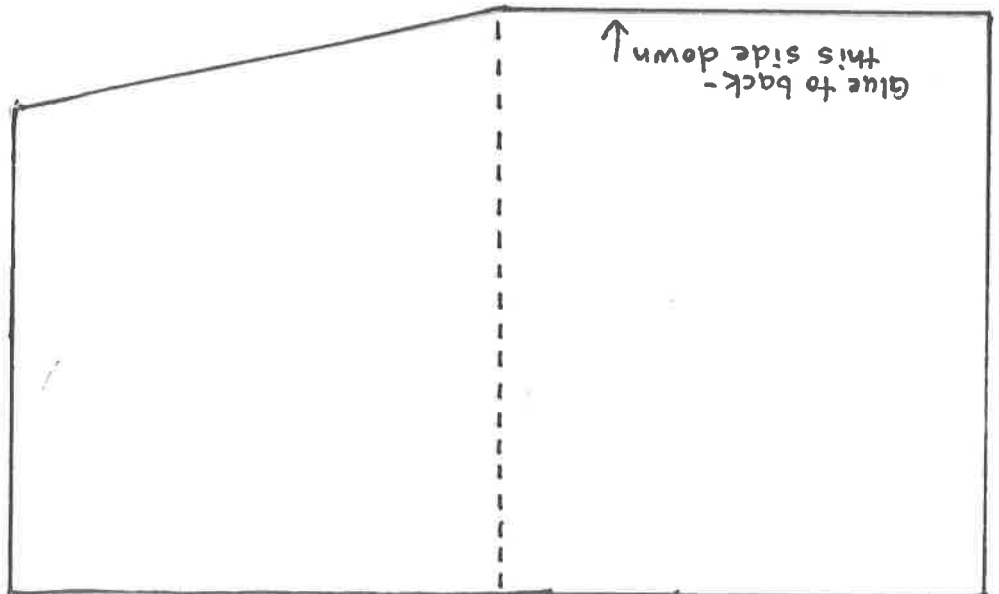

1. Cut out on outer solid black lines.
2. Poke a hole in the center of each circular piece (8)
3. Place a metal brad through all circles stacked by size with the small circle on top & print side showing.
4. Attach the 2 leg stands to the back so the Message Circle stands up.
