

Halloween Scavenger Hunt

Instructions

Attached are a series of scavenger hunt clues designed to add some fun to your at-home trick-or-treating this year. All you need is some markers or crayons, a LEGO figure, and of course some treats at the end.

On the following two pages, there is a table detailing each of the clues, including a suggested order. Pages 4-13 of this document contain the clues and should be printed, while pages 14-23 are the solutions to each of the puzzles, in case you get stuck.

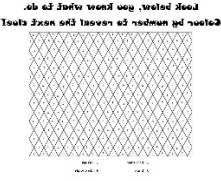

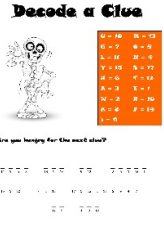

Thank you for staying home and staying safe!

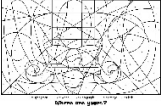

If you enjoy this activity, please consider making a donation to your local food bank.
